- (1) The basis of a proposed ward's alleged incapacity is intellectual disability.
And
- (2) You are making a "Determination of Intellectual Disability" in accordance with rules of the executive commissioner of the Health and Human Services Commission governing examinations of that kind.

If you are not making such a determination, please skip to number 6 below.

"DETERMINATION OF INTELLECTUAL DISABILITY"

Among other requirements, a Determination of Intellectual Disability must be based on an interview with the Proposed Ward and on a professional assessment that includes the following:

- 1) a measure of the Proposed Ward's intellectual functioning;
- 2) a determination of the Proposed Ward's adaptive behavior level; and
- 3) evidence of origination during the Proposed Ward's developmental period.

As a physician, you may use a previous assessment, social history, or relevant record from a school district, another physician, a psychologist, a public agency or a private agency, if you determine that the previous assessment, social history, or record is valid.

1. Check the appropriate statement below. If neither statement is true, skip number 6 below.

I examined the proposed ward in accordance with rules of the executive commissioner of the Health and Human Services Commission governing Intellectual Disability examinations, and my written findings and recommendations include a determination of an intellectual disability.

I am updating or endorsing in writing a prior determination of an intellectual disability for the proposed ward made in accordance with rules of the executive commissioner of the Health and Human Services Commission by a physician or psychologist licensed in this state or an authorized provider certified by the Department of Aging and Disability Services to perform the examination.
